

INEOS SINGAPORE PTE. LTD. - TERMS OF SALE Mentioned below as "INEOS"

1) GENERAL TERMS

These terms apply between the buyer of Products ("Buyer" or "Customer") and INEOS SINGAPORE PTE.LTD. ("INEOS"). These terms and the transaction details to which they apply, and the relevant document(s) including, but not limited to, the purchase order(s) that incorporate(s) these terms (collectively, the "Agreement") set out all contractual terms relating to the sale of the specified products (the "Products"), except where INEOS (as defined below) has agreed in writing to any changes. Where there is any inconsistency between these terms and the terms of the relevant document(s) that incorporate(s) these terms, the terms of such relevant document(s) shall prevail. For the avoidance of doubt, the Customer's standard terms of purchase and the UN Convention for the International Sale of Goods do not apply unless expressly incorporated in this Terms of Sale and this Agreement supersedes all prior or contemporaneous proposals, agreements, negotiations, representations, warranties, understandings, correspondence and all other communications (whether written or oral, express or implied) or arrangements entered into between INEOS and the Customer prior to this Agreement in respect of the matters dealt with in it. No representation or undertaking shall be taken to have been given or implied from negotiations between the parties save as expressly stated in this Agreement. To the extent permissible by law, neither party shall have any remedy in respect of untrue statements relied upon (unless such statements were made fraudulently), and the only remedies shall be for breach of contract.

INEOS may assign its rights to any third party. If requested, the Customer will and shall not unreasonably withhold the provision of its consent to any transfer of obligations by INEOS.

Definitions in "Incoterms 2020" shall apply to this Agreement.

2) GOVERNING LAW AND JURISDICTION

This Agreement is governed by the laws of Singapore. The Customer submits that the Singapore courts will have exclusive jurisdiction in relation to it, except where INEOS elects to bring proceedings in such jurisdiction where the Customer is incorporated or domiciled (the "**Applicable Jurisdiction**"). In that regard, the Customer irrevocably waives its right to raise any objection to INEOS' chosen jurisdiction to claim against the Customer on the grounds of *forum non conveniens*.

3) DELIVERIES

INEOS will use reasonable endeavours to achieve delivery on time, in full (within a 0.5% weight tolerance). INEOS will keep the Customer informed of any material variation from agreed delivery times as soon as reasonably practicable. The Customer must provide what are, in INEOS' opinion, proper, safe access and facilities to accept deliveries, and must reimburse any additional actual costs incurred by INEOS if INEOS suspends or refuses delivery where such access or facilities are not available or where unloading takes more than a reasonable time for a reason not attributable to INEOS. INEOS may inspect the Customer's facilities, if necessary, by entering Customer's premises. Delivery to or use by INEOS of any facilities does not constitute approval by or acceptability to INEOS.

In case of deliveries which are subject to energy taxation, the Customer is required to demonstrate to INEOS that the Customer is qualified to make use of the tax suspension or tax exemption procedure by presenting a valid license. If the Customer is unable to present a valid license for the tax suspension or tax exemption procedure, the Customer agrees that it will repay any taxes INEOS has paid on such date prescribed by INEOS.

4) MEASUREMENTS

INEOS quantity and quality measurements taken at the point of loading will be stated in the invoice and shall be binding unless proved by the Customer to be in error.

5) TRANSFER OF OWNERSHIP AND RISK

INEOS will retain ownership of the Products, to the fullest extent permitted by law, until payment for the relevant quantity is actually received by INEOS (or to our order), even if Customer has co-mingled the Products with other goods or processed. In this case, INEOS will become co-owner. Until payment is made, the Products must be separately stored (where possible), identified and must be returned or be available for collection at INEOS' request. INEOS may enter Customer's premises to collect the Products. INEOS may maintain an action for payment, notwithstanding that INEOS retains ownership of the Products. If the goods are resold before the payment is completed, they are replaced by the receivables for the purchase price, which are hereby transferred to INEOS as security.

Risk in the Products shall pass to the Customer as per the agreed Incoterms.

6) PRICE, PAYMENT

Unless otherwise agreed:

(a) the relevant price for the Products will be INEOS' price applicable on the date of loading;

(b) full payment must be received (without deduction for set off or counter claim unless INEOS shall have given its prior written approval) when due by electronic funds transfer to the account nominated by INEOS in the currency specified on the invoice. Any deduction for set off or counter claim or assertion of right to withhold shall be null and void a) unless INEOS shall have given its prior written approval or b) if such amounts are not in disputes or are legally binding. Funds must be received in the nominated bank account no later than the due date on INEOS' invoice document or no later than the last banking day before the due date if that due date on INEOS' invoice document if the due date falls on a non-banking day. Late payments shall bear interest at 10% per annum from the due date until actual receipt of payment. Notwithstanding the foregoing, all invoices for interest shall in addition include a fixed amount of [USD] 500 (or its equivalent in such Applicable Jurisdiction, applying the foreign exchange rate provided for by the Monetary Authority of Singapore at <http://eservices.mas.gov.sg/Statistics/msb/ExchangeRates.aspx>, at the time of invoice) to cover INEOS' loss and indemnify for the additional work, including administrative work, induced by the delay in payment, and the Customer hereby acknowledges that the additional interest and amount payable as aforesaid represents a genuine pre-estimate of the loss and damage which INEOS may suffer arising from any failure by the Customer to observe its payment obligations promptly;

(c) if INEOS requires, deliveries may be suspended when any invoice is not paid when due and until the Customer provides acceptable security for payment or makes repayment in full, without prejudice to any other rights INEOS may have;

(d) quoted prices do not include any Goods and Services Tax ("GST"), or any other taxes or charges, if applicable in the Applicable Jurisdiction. The Customer must promptly provide INEOS on request with all evidence required under local, national or EU laws to justify any request for exemption from VAT or other applicable taxes. The Customer indemnifies INEOS against any tax, cost or penalty it may incur if the request for exemption is found not to be justified; and

(e) where the price is determined by a formula, and variable values are not known, the most recent applied price shall be used as an interim price with subsequent readjustment.

7) LIMITATION OF LIABILITY

Unless otherwise agreed in writing, neither party shall be liable to the other party for

- loss of or restriction of production,
- costs associated with business interruption,
- loss of contract or opportunity,
- loss of profits or expected profits,
- loss of Product,
- loss of revenue or
- loss of use or
- any punitive or exemplary damages
- or any special, indirect, incidental or consequential damages

arising from or relating to this Agreement or the performance or non-performance of either party's obligations under this Agreement, whether based on warranty, condition, contract, tort (including negligence of any nature), strict liability, repudiatory breach or any other legal ground whatsoever.

In respect of all other loss or damage, INEOS maximum aggregate liability to the Customer arising out of or in connection with each sale under the Agreement shall be the higher of:

(a) 4% of the aggregate invoice of sales of the same Product(s) by INEOS to the Customer during the year prior to the date of delivery of the Products to which the relevant sale relates; or

(b) [USD]100,000 (or its equivalent in such Applicable Jurisdiction applying the foreign exchange rate provided for by the Monetary Authority of Singapore at <http://eservices.mas.gov.sg/Statistics/msb/ExchangeRates.aspx>, at the time of invoice).

In any case INEOS maximum liability shall be subject to a maximum aggregate amount of [USD]200,000 (or its equivalent in such Applicable Jurisdiction applying the foreign exchange rate provided for by the Monetary Authority of Singapore at <http://eservices.mas.gov.sg/Statistics/msb/ExchangeRates.aspx>, at the time of invoice) for all claims in any twelve (12) months preceding a claim and including the value of that claim. INEOS is released from all liability in excess of the maximum, even where caused by INEOS negligence or breach of duty.

INEOS does not seek to exclude or restrict its liability in relation to: (a) death or personal injury resulting from negligence; (b) fraud; (c) gross negligence or (d) illegality and (e) any matter in respect of which, by law, it is not permitted to restrict its liability.

8) WARRANTIES

INEOS warrants that it is able to pass ownership of the Products sold to the Customer, that they will meet the relevant contractual specification at the point where risk passes to Customer, and that they do not infringe any patent in their country of origin. To the maximum extent permissible by law, ALL OTHER CONDITIONS, WARRANTIES OR TERMS, EXPRESS OR IMPLIED (WHETHER BY STATUTE OR OTHERWISE) ARE EXCLUDED including as to quality, description or fitness for any purpose. INEOS refers to the published Material Safety Data Sheets regarding the Products. However, any information or advice from provided by INEOS is given and accepted at the Customer's own risk and no liability shall arise unless mandatorily stipulated by law.

9) MAKING CLAIMS

Any claim for shortage, or damage in transit, must be made to INEOS in writing within 3 business days of receipt of the Products. Any claim for non-conformity to specification must:

(a) be made without delay after the Customer become aware of the non-conformity but in no event later than 40 days from receipt of the Products; or

(b) in respect of the Products which have been processed, be supported by reasonable evidence that the defect was not ascertainable before processing.

Only differences in net weight or volume against invoiced quantity in excess of 0.5% per bag or bulk delivery, or 1% per drum, may be subject to quantity claims.

Any claims not made in accordance with clause 10 above shall be deemed to be waived by the Customer.

10) DUTY OF INSPECTION AND INFORMATION

The Customer commits to conduct appropriate testing of delivered Product to ensure its quality and quantity immediately after delivery prior to processing or mixing. If the Customer fails to inspect the Product or omit to inform INEOS of any defect of the product immediately latest by 2 working days after realisation of the defect (even if a defect appears afterwards) the Product is deemed to be accepted by the Customer. In this case, INEOS will not be held liable for any damages incurred by the Customer due to such defect of the Product unless the defect could not be detected by appropriate testing by the Customer.

If the Customer realises a quality deviation in the Product, all information, including test details, test results and Product samples shall be sent to INEOS as soon as reasonably practicable.

11) FORCE MAJEURE

"Force Majeure", shall mean for example but not limited to: Act of god, explosion, flood, tempest, fire or accident, war or threat of war, riots, terrorist acts, sabotage, insurrection, civil disturbance or requisition, strike, lock-outs, or other industrial actions or trade or labor disputes (except if involving solely employees of either INEOS or the Customer), Acts, restrictions, regulations, by-laws, prohibitions or measures of any kind on the part of any governmental, parliamentary or local authority; import or export regulations or embargoes; plant breakdowns or plant disturbances, general shortage of raw material, energy, interruption of power supplies, fuel or transportation facilities or other disturbances beyond the reasonable control of the party concerned, which are not due to such party's negligence or wilful misconduct, and which constitutes a major impediment to or renders it impossible or commercially impracticable for such party to perform its obligations under this Agreement (other than the Customer's obligation to make payment for Product(s) received).

An event of Force Majeure, shall release the affected party from such obligations for as long as and to the extent to which the event of Force Majeure impedes or prevents the performance of this Agreement in whole or in part. Neither party shall be liable for any loss or damage suffered or incurred by the other party arising from the first party's delay in performing or failure to perform such obligations to the extent that and for so long as such delay or failure results from an event of Force Majeure.

An event of Force majeure shall extend contractual deadlines and defer contractual dates by the duration of the Force Majeure.

INEOS shall not be required to acquire, by purchase or otherwise, additional quantities of the Product from other suppliers or any related corporation (as defined in the Companies Act 1967 of Singapore) ("Related Corporations"), or otherwise supplement its available supply of the Product. Available stock Product of INEOS shall be allocated on a pro-rata basis (considering all delivery obligations of INEOS to its customers).

A party being subject to an event of Force Majeure shall promptly notify the other party of the event and its expected duration. The Customer's obligation to pay for the Products delivered shall in no event be excused by Force Majeure.

12) RETURNABLE CONTAINERS

Where the Products are supplied in returnable containers or pallets, these must be promptly returned to INEOS at the Customer's cost in substantially the same condition as the Customer received them. If any containers or pallets are returned damaged or not returned within 90 days of delivery, INEOS may invoice the Customer for the repair or replacement of such containers or pallets. In the case of non-returnable containers or packaging, the Customer must destroy these after use at the Customer's own cost.
